

Male Medical Volunteer – Greeley Location

The Resource Center for Pregnancy & Personal Support, a faith-based non-profit, is looking for an experienced Male Registered Nurse or Medical Assistant with diploma or degree preferred (other qualified; EMT, paramedic).

Excellent organizational and people skills are a must. Successful candidate will be trained to assist in STI testing and client education for male patients.

Flexible schedule up to 10 hours during our operating hours. Additional hours may be available by filling in for other medical staff.

Interested candidates will be asked to give information concerning their Christian commitment and pro-life values.

Call 970.353.2673 if interested for an application packet, visit our website at Tests4Greeley.com/volunteer or stop by our Greeley office at 822 14th Street.
