

Volunteer Registered Nurse – Greeley or Windsor

The Resource Center for Pregnancy & STD Support, a faith-based non-profit, is looking for an experienced Registered Nurse. This position requires a strong commitment to life and a decisive Christian testimony.

Nurses will be trained in advising, STI testing for both male and female clients and abdominal ultrasound for early pregnancy.

This position would be a primary back-up to current staff with shifts in our Windsor and Greeley locations.

Interested candidates will be asked to give information concerning their Christian commitment and pro-life values in the application. Call 353-2673 for application packet, visit our website at Tests4Greeley.com/volunteer or stop by our Greeley office at 822 14th Street.
